

靜宜校歌

詞/曲：Ann Colette Wolf S.P., 1949

Providence University in Taiwan,
Your loyal students' voices raise.
Out to win, quick to learn, should we be.
Gratitude fills our hearts with praise.
Joyful in learning, truthful in searching,
virtue our highest goal.
We must conquer the sadness,
raise up the goodness, holding the highest hope.
Serving together, hearts bound together,
through all our days here on earth.
You'll find us loyal and ready,
earnest and steady.
Boosting our own loved school.
